How do I start and end my session time?

It is easiest to start your reservation using the iLab Kiosk website either from your mobile phone or a computer.

**Note:** A reservation cannot be started from the instrument’s computer.

**Step 1:** Go to the website
https://johnshopkins.corefacilities.org/service_centers/3809/equipment_kiosk/dashboard or use your mobile phone to scan the QR code provided below.

![QR Code](image)

**Step 2:** Login using your JHED ID.

**Step 3:** Select *Start* for the reservation of interest.

![Reservation Screen](image)

**Note:** If the reservation time has not started, the *Start* button will be labeled *Details*. In this case, selecting the *Details* icon allows you to edit your reservation or start your reservation early.

**Step 4:** Use the same process to *End* your reservation when finished.
